FROM THE RECORDS
of
C. W. BEDFORD and DR. G.C. FRITSCHELL.

February 1939
Dear Shift Hunter:
Fifteen double trans-
fers on various issues.

Nine from C.W.'s
work book and six
from Dr Fritschel
The "W.B." on the
mat is for record
only & serves as
a check so that
no duplication
arises. The Work
Book used by Mr.
Bedford was a
collection in its
self. Hundreds of
stamps, singles,
perforated blocks
and imperforated
blocks arranged
by year issue.

Those of Dr. Fritschel are only a few of the many he has of this issue. We hope soon to publish more from his collection.

Sincerely yours, GEO. BLACK
